

Sue's Binding Class

Supply list:

3/8 yard each of three cotton fabrics. Two will be the fronts and backs of placemats, one will be the binding.

Two 13 x 18" pieces of thin batting, cut from a small package or from leftover batting

Cotton thread to match the binding fabric

About 100 good-quality straight pins on a magnetic holder (Clover Patchwork 36mm glass-head pins recommended)

Sewing machine with its cord, pedal, bobbins and presser feet

Walking foot if you have one

Prepare and bring to class:

Cut two 13" x 18" pieces from each of the two front-and-back fabrics.

From the binding fabric, cut four 2 3/4" strips by width of fabric.

Make two 13 x 18" quilted sandwiches by placing the batting pieces between the wrong sides of the front-and-back fabrics. Pin the layers together, then machine quilt the two sandwiches as desired (vertical lines, horizontal lines, criss-cross, free-motion practice, etc.)
