Wonder Clips

Nancy Zieman Double Sided Basting Tape

Pattern Ease or other tracing material to trace pattern pieces

Pattern: Classic Market Tote by Andrie Designs (AD023)

Fabrics as stated on pattern for the size that you want to make.

Foam stabilizers as noted on pattern. I prefer foam vs fusible fleece.

Woven fusible or SF101 as stated on pattern

Firm interfacing not needed if doing zipper top.

I used cotton webbing (available here) for my handles instead of fabric (optional) 2 yards

Hardware : 4 round or rectangular rings (I used 1.5" rectangles)

1 magnetic snap (or zipper if desired-see my additional instructions b

1 swivel hook (optional for key hook)

1 zipper or 10" of zipper tape

Plan: The first class we will probably not need sewing machines.

We will discuss the stabilizers and options for handles, etc and you will start cutting out your pieces. Please cut out or trace your pattern pieces before class. If you are not new to making bags and are comfortable cutting out your pieces, you may do that ahead of time and begin sewing on the first day. Stay organized and label the pieces with the enclosed labels as you cut them.

The second day, we will have the day to sew and please bring a lunch or plan to grab one from one of the fast food places nearby.

If you want to start sewing between the classes, just do the parts that you are comfortable with and leave the rest for the second class. No problem!

Please ask me if you have any questions! Thanks, Debi
