

# QUILTWORX POCKET COMPASS WORKSHOPS

## Student Prep Handout

You will need to prep for the Workshop.

- ❖ Order your pattern from the Ann Arbor Sewing Center.
- ❖ The Pocket Compass Wall Hanging pattern makes ONE Wall hanging.
- ❖ Additional papers may be purchased to make another Wall Hanging.
- ❖ Corrections are posted on the Quiltworx Website. If needed make necessary corrections. See Page 1 **GENERAL INFORMATION**.
- ❖ Read the instructions and become familiar with the common tools and terms.
- ❖ Verify you have (1) NP 751, (1) NP 752 and (1) NP 954 papers in your packet.
- ❖ **\*\*Complete page 6 - Preparing the Foundation Papers and Templates:**  
Place your papers in labeled plastic zip lock bags and bring to the Workshop.
- ❖ Complete the NORTH STAR FABRIC INFORMATION chart on page 6. You will glue a small swatch of fabric in the appropriate assigned color box.
- ❖ I find it is easier for students to pre-cut the Strips needed before coming to the first Workshop ... Please complete the STRIP CUTTING INSTRUCTIONS for each fabric: **STOP** and read that again ... I want you to cut the strips (ONLY) needed for each fabric... you do not need to sub-cut using the Template Layout Sheets... we will sub-cut in the First Workshop. **Feel free to call me about this step.\***

\*It is important that you complete the fabric Strip cutting and come to the Workshop ready to sew. Sashing and borders will be discussed in the Workshop.

Please email or call me if you have any questions, I am happy to help.
