NOTES:

You will be able to complete one mitt in class. If you want to make a pair, please be sure to purchase enough supplies for two, as you may not be able to purchase the same fabric when you are ready to make the second mitt.

Please come to class with the lining already quilted in any fashion you prefer (see "LINING" Nos. 1 & 2 in the pattern).

I used freezer paper to make the template for the mitt and used a Sharpie pen to trace it onto the white muslin. It won't show in the finished product.
