## Fabric

This is a scrappy project. Please bring various strips as follows: (and for extra fun, bring some to share!)

Backgrounds– you will need strips in various widths that are at least 8 1/2" long. The strips can be all the same width (ie if you have a jelly roll) or you can change it up.

Reds – like the backgrounds, bring different reds in various width strips. Strips should be at least 7" long.

Greens – you will need a couple of 4"(ish) squares of green for the leaves

Brown – a 4"(ish) square for the stem

You will also need (4) 2 1/2" squares for the corners....they can be all the same fabric or mix it up. Again, bring extra to swap with others.
