

Oh Sew Delightful-Sewing is My Sunshine Class
(a machine embroidery project)

***Note: the 5x7 or equivalent hoop will accommodate the embroidered blocks
the 6x10 or equivalent hoop is necessary if using the background quilting that
may be purchased from Kimberbell.com.

**Your embroidery machine with module in good working order and knowledge of its use.

Supplies: *Kimberbell Oh, Sew Delightful book/cd

*Embellishment kit

*Fabric bundle of Oh Sew Delightful or other fabric of your choice

*Printed project instructions located on the cd

*Embroidery files in your format downloaded onto a USB

*Kimberbell project batting or batilizer

*Polymesh cutaway stabilizer

*Woven fusible (fusible backing) stabilizer

*Flexi foam or other foam product (adds dimension)

*Coordinating embroidery threads

*Isacord or Ever-Sewn embroidery bobbin thread

*Curved embroidery scissors

*Marking pen

*80/12 Sharps or Embroidery needles

Please have your fabric pre-cut for the “Sewing is my sunshine” project. This will save time in class. I hope you can all complete the project blocks in class and may have time to sew them together.

Once this small project is completed you'll be ready to move on to the other projects in the book.

Thank you for signing up! See you soon,

Pam
